

Cave & Karst Feature Inventory Form (1 of 2)

BCSF 130306

1. Cave or Karst Feature Name or #		2. Karst or Area Name	3. 1:50,000 Map #
4. Latitude ° ' "	5. Longitude ° ' "	6. UTM Zone	7. UTM Easting
8. UTM Northing	For Boxes 4, 5, 7 & 8 - GPS [], Map [], Report [] Datum: NAD 27 [], NAD 83 [], WGS 84 []		

9. If a Cave (choose the best description for the cave):

Solution [], Glacier [], Lava tube [], Talus [], Fissure [], Littoral (Coastal) [],
Pit only [], Shelter []. **Cave has a zone of 24 hour darkness:** Yes [] No []

10. If a Karst Feature (choose the best description for the feature):

Pit [], Sinkhole [], Shelter [], Window [], Swallet [], Resurgence [],
Exposed "Surface" Feature [].

11. Length in Metres	12. Vertical Range in Metres	13. Elevation in Metres
Surveyed [] Approximate []	Surveyed [] Approximate []	GPS [], Altimeter [], Map [], Report [].

14. Resource Classification (A<E): A [], B [], C [], D [], E []

Brief summary of rationale for Resource Classification:

15. Hazards Classification (1<5): 1 [], 2 [], 3 [], 4 [], 5 []

Brief summary of rationale for Hazards Classification:

16. Appeal Classification (V<Z): V [], W [], X [], Y [], Z []

Brief summary of rationale for Appeal Classification:

Cave & Karst Feature Inventory Form (2 of 2)

BCSF 130214

17. Subsurface Management Category (I<III): I [], II [], III [] *** []

If the cave is a category 1, but the location info needs to be restricted because it would likely reveal the location of a cave in a higher category or another reason (e.g. private land), check *** box and explain reason in comments box.

18. Management Direction (Brief summary of any important considerations for surface or subsurface management, particularly relating to conservation and use.):

19. Survey: (Is a survey available?) Y [] N [] **BCRA Grade:**

20. Reference Source(s) or Key Contact(s) for information on this cave or feature:

21. Recorder of this information:

Classifier of this cave or feature:

Proprietor(s) of inventory information:

22. Information accurate as of this date:

23. Comments / Other:
